PROFESSIONAL EXPERIENCE

VANTAGE CIRCLE

Guwahati, Assam | Sept 2020 - Present

SEO Manager

Apr 2025 - Present

- Post-HCU & AEO Strategic Turnaround:** Re-engineered search strategy following Google's Helpful Content Update and AI Overview rollouts; pivoted from broad informational queries (which peaked at 2M historical visits) to high-intent commercial and transactional content, insulating inbound pipeline against zero-click traffic drops.
- Revenue & Lead Resilience:** Defended and compounded YoY inbound lead volume and revenue growth despite industry-wide traffic volatility; scaled organic lead contribution from **16% (FY23) to 40% (FY25)**, cementing SEO as the primary B2B MQL engine.
- Topical Mapping & Content Pruning:** Built comprehensive **topical authority maps** and executed competitor gap audits across 4 SaaS product lines; audited and pruned hundreds of off-niche, non-converting legacy blogs to eliminate topical dilution and boost crawl equity.
- Generative Engine Optimization (GEO / AEO):** Structured semantic entity relationships and technical schemas to dominate brand visibility and authoritative citations within Google AI Overviews and generative AI answer engines.
- Team Leadership & AI Automation:** Led a high-performing team of **4 SEO specialists**; engineered automated **CLI, MCP, and DataForSEO API pipelines** in Claude Code to streamline large-scale content gap analysis and automated SERP tracking.

Digital Marketing Analyst

Sept 2020 - Mar 2025

- Scale & Domain Authority:** Scaled website traffic to an all-time historical peak of **2M monthly visitors** and elevated Domain Rating from **49 to 74** by designing semantic on-page architectures across core SaaS offerings.
- International SEO & CRO:** Owned technical SEO and hreflang routing across **5 multilingual domains (FR, ES, DE, NL, PT)** with 95%+ site health; spearheaded agile CRO and A/B tests to optimize conversion pathways.
